

ASME "U" Stamp
ASME "R" Stamp
ASME "S" Stamp

This trailer is equipped with a 10,600 gallon MC 331 QT LPG/NH3 Tank.

Safely transport LPG/NH3 for the Long Haul.

At J&J, our ASME code vessels are upfitted with safety features that include roll stability and tire inflation systems. They are fully tested prior to delivery and inspected by our ISO certified quality department. J&J can also service, repair, and remount tanks.

Rely on our experience.

There's no substitute for a trailer built by the experts at J&J Truck Bodies & Trailers. We don't cut corners and we don't compromise on quality. Rely on our 55+ years of experience to build you the propane transport trailers you want - we'll build them to your specification and application.
